APRIL 2025 - MARCH 2026

LAND ACKNOWLEDGEMENT

Manitoba Liquor & Lotteries benefits from being on the original territories of the Anishinaabe, Cree, Oji-Cree, Dakota, Lakota, and Dene peoples, lands now known as Treaties One through Five – and the homeland of the Red River Métis.

We commit to respecting the treaties made on these territories while acknowledging the harms of the past and moving forward in partnership with Indigenous communities and a spirit of reconciliation.

While we acknowledge that territorial acknowledgements are only one step in cultivating greater respect for and inclusion of Indigenous Peoples, these words will accompany actions invested in building a future and community better for all.

Manitoba Liquor & Lotteries bénéficie de la possibilité d'exercer ses activités sur les territoires occupés à l'origine par les Anishinaabe, les Cris, les Oji-Cris, les Dakotas, les Lakotas et les Dénés, terres maintenant connues comme territoires visés par les Traités nos 1 à 5 – et la patrie des Métis de la rivière Rouge.

Nous nous engageons à respecter les traités conclus sur ces territoires, tout en reconnaissant les préjudices du passé et en progressant en partenariat avec les communautés autochtones et dans un esprit de réconciliation.

Bien que la reconnaissance territoriale ne constitue qu'une étape dans la promotion d'un plus grand respect et d'une plus grande inclusion des peuples autochtones, à ces paroles nous joindrons des actes en vue de construire un avenir et une communauté qui seront meilleurs pour tous.

MANITOBA LIQUOR AND LOTTERIES OVERVIEW

ENRICHING THE LIVES OF MANITOBANS

Manitoba Liquor & Lotteries (MBLL) is a Crown corporation of the Province of Manitoba. We distribute and sell liquor, provide gaming and entertainment experiences, and source and distribute non-medical cannabis to retailers in the province, all in a socially responsible manner.

Our profits go to the Province of Manitoba's general revenue and support priority programming in areas such as health care, education, social and community services.

Two percent of anticipated annual net income is committed towards responsible gambling, liquor and cannabis consumption, and research and treatment programs.

LIQUOR

One of the largest single buyers of beverage alcohol in the world, Manitoba Liquor & Lotteries brings an incredible array of products into our province from over 50 different countries.

As a retailer, we operate 63 Liquor Mart and Liquor Mart Express stores throughout the province. As the wholesaler and distributor of liquor for the province, the corporation's distribution centre serves more than 1,700 commercial customers across Manitoba including privately owned liquor vendors, duty-free stores, and specialty wine stores.

GAMING

We operate Club Regent Casino, McPhillips Station Casino and PlayNow.com. The province's VLT network, managed through our Morris office, supports the province's hotel and restaurant industry. We distribute and sell Western Canada Lottery Corporation products through our network of privately owned lottery ticket retailers.

CANNABIS

We source and distribute non-medical cannabis to privately owned retailers in Manitoba. Our province uses a direct distribution model that sees cannabis ship directly from Canadian producers to retailers.

Late and/or incomplete applications will factor into our decision-making processes and are subject to rejection and/or late fees.

Please refer to Appendix B for application deadlines and Appendix C for point-of-purchase (POP) material requirements and instructions for file upload.

JOINT BUSINESS PLANNING

Joint Business Planning (JBP) is an opportunity for partners to meet with MBLL persons of interest to discuss upcoming priorities, innovation, and areas for support in a collaborative environment. Liquor Programming and Experience (LPX) is available to meet with partners throughout the fiscal year. However, it is recommended that partners focus their JBP efforts around the Marketing Program Application deadline days outlined in Appendix B.

BOOKING JOINT BUSINESS PLANNING MEETINGS

Partners can email programming@mbll.ca to schedule JBP meetings at any time. JBP meeting requests should include preferred meeting times. Meetings will be booked virtually unless otherwise requested.

Please refrain from booking LPX calendars without reaching out in advance.

Meetings will be booked on a first come, first served basis. Spots are limited and are not guaranteed when booking within two-weeks of the deadline day.

JBP will be limited to 30-minute blocks when within two weeks of a deadline day. Longer JBP meetings (i.e. – quarterly reviews) may be scheduled outside of the two-week pre-deadline day window.

In fairness to all partners, meeting requests for a period of interest will not be accommodated after the deadline day.

PARTNER REQUIREMENTS

JBP meetings are led by the partner and can be used to discuss partner driven and/or MBLL driven opportunities for a given intake period.

Prior to the JBP meeting, it is the expectation that partners have:

- Reviewed Appendix B and the monthly MBLL driven program themes for the relevant period(s).
- Reviewed the store participation, cost, and submission requirements for the partner driven programs of interest.

- Prepared information to share during the JBP meeting to showcase priorities, innovation, and/or collaborative opportunities. Partners may present information via:

- PowerPoint
- PDF
- Calendar of activities
- Excel table

LPX may make suggestions or provide insights to assist partners in putting their best foot forward as part of JBP meetings, however **this does not guarantee application approval.**

Final selections will be communicated to the partner through their results email approximately four weeks after the deadline day.

WHO WILL ATTEND

Meetings will include members of LPX to provide insights for in-store program opportunities. Additional persons of interest (Category Management, Retail, Supply Chain) may be included at the discretion of LPX.

Partners that would like additional areas included in JBP discussions (i.e. – Category Management to discuss new listings) can request this with LPX.

- 2) REP-APPLIED LIQUOR
- 3) PLANT-APPLIED
- 4) FREE OF CHARGE PACKAGING
- 5) NEAR PACK

IMPORTANT

Small packages of value adds which will fit in an envelope may be shipped to stores at no cost to the partner.

Shipping and handling charges for larger value adds that cannot fit in an envelope, (e.g. glasses) are \$25 for the first case and \$5 for each additional case per store. Please adhere to the same requirements as in section 5) Near Packs - Near Pack Distribution to Rural Stores.

Unlisted Small Format Value Adds:

If the small format product is not listed in Liquor Marts, partners must submit a Product Listing Form to Programming@mbll.ca. The Product Listing Form must be accompanied by all listing application components (i.e. label, image, etc.).

The product must be priced with a minimum unit cost of \$0.01 plus freight, exchange and excise. Minimum-markup and Social Reference Pricing (SRP) costs apply. Please refer to the trial pricing calculator found on the MBLL Partners website.

MBLL buyers will order enough inventory equivalent to 4 weeks projected sales of the parent brand.

Once approved for programming, partners must ensure the value add product arrives to the MBLL Distribution Centre two weeks prior to the start of the period. Once received, MBLL will deliver the small format product to the Grant Park Liquor Mart. Partners will be notified when the product has arrived in-store and is available for purchase at full retail. Partners must then remove the product from the store.

For privately distributed beer and RTD small format value adds, the partner is responsible for shipping the product to a Liquor Mart location of their choosing. The partner is responsible for notifying the Liquor Mart store manager of the expected shipment and arrange for pick-up.

Partners must purchase all value adds at full retail (no agent discounts permitted).

Once purchased, the small format value add is the property of the partner and must be removed from the Liquor Mart. Partners are not permitted to keep any un-used value adds in Liquor Marts.

5) NEAR PACK

Near Packs are a value add that is not attached to the bottle, but instead has its own free-standing merchandiser. **Near Pack value adds are only allowed in conjunction with an approved Product Spotlight, Footprint Theatre or BYOAH display.**

APPLICATION

Partners may apply for inclusion in the program by completing the Marketing Program Guide Application Form.

At the time of application, the partner must provide an image of the merchandiser, including the dimensions, to Liquor Programming and Experience for approval.

All applications must be submitted by the deadline date. Please refer to Appendix B.

Late applications will not be accepted.

PROGRAM GUIDELINES & PARTNER REQUIREMENTS

It is expected that enough of the bonus item be available to support the program for the entire period based on the average monthly case sales, and be available as a gift with purchase for all of the items participating on the Product Spotlight display.

The partner must provide a method of display for the near pack (i.e., a floor-model merchandiser). Partners may also choose to use Liquor Mart branded impulse bins for near pack value adds at a cost of \$25 per bin, per store.

If utilizing a Liquor Mart branded impulse bin merchandiser, partners must submit to Programming@mbll.ca a print-ready 8.5" x 11" poster (PDF format, no crop marks) which will communicate the near pack value add offer.

All participating stores must receive the near pack item and merchandiser seven days prior to the start of the period.

The merchandiser cannot exceed 18" W x 44" H x 15.5" D, with or without a header. Partners must deliver merchandisers pre-assembled, or assist with building and stocking the merchandisers, as required.

The partner must provide images and dimensions for the near pack merchandiser for approval.

If a partner wishes for stores to keep the near pack merchandisers for pick-up at the end of the period, please contact Liquor Programming and Experience and they will notify stores and send reminders. Partners are also encouraged to attach a note to the back or bottom of the merchandiser advising not to dispose of the merchandiser at the end of the period.

Near Pack Distribution to Rural stores

Partners can distribute near packs directly to rural stores. These items must arrive at the store prior to the start date of the period.

If a partner prefers, they may request that MBLL distribute the near pack items to rural stores. This request should be made to programming@mbll.ca.

The following requirements must be met for MBLL to ship near pack items:

- Kits must be delivered to the MBLL Distribution Centre (Unit 7 - 1000 King Edward St.) 30 days prior to the start of the period
- Partners must pre-package the items and label each piece with program period and contents of package (no store numbers required)
- A detailed distribution list must be submitted
- Maximum weight limit of each kit for the safety of our staff is 30 lbs
- If total number of pieces exceeds 50, delivery must be made on a pallet using a dock level truck. Different near packs must be grouped together

Shipping and handling charges are \$25 for the first case, \$5 for each additional case, per store.

LIQUOR MART EXECUTION

If a store runs out of the near pack item, the merchandiser will be removed, and the Product Spotlight display will remain up until the end of the period.

It is the partner's responsibility to follow-up with store management to replenish inventory of the near pack value add.

limited time offer programs

HOT BUY

The Hot Buy program is an extension of the Limited Time Offer (LTO) program, where the discount offers big savings to the customer for a two-week time frame.

APPLICATION

Partners may apply by completing the Marketing Program Application Form.

All applications must be submitted by the deadline date. Please refer to Appendix B.

Late or incomplete applications will not be accepted.

PARTICIPATION & ELIGIBILITY

All listed products are eligible for the Hot Buy program, except for products participating in the LTO or AIR MILES® programs during the same period or limited release items (list type 11).

Seasonal listings (list type 23) may apply provided there is enough inventory to support and additional orders are not required to execute.

Back-to-back discount months on the same SKU are not permitted.

Items approved for the Hot Buy Program may not participate in any other display programs during the approved discount period.

For MBLL Distributed products, partners will be charged back the full amount of the retail discount for the sales to commercial customers during the pre-buy and Hot Buy period. Partners will also be charged back the full amount of the retail discount for the sales at Liquor Marts.

For Privately Distributed beer, the Retail/Licensee price and the PO case cost are adjusted for the period (including pre-buy) and thus the partner chargeback is only for the SKU participation fee.

PROGRAM GUIDELINES & PARTNER REQUIREMENTS

To qualify for the Hot Buy program, partners may apply with their best savings offer above the minimum Limited Time Offer percentage requirements by category. Please see Limited Time Offer program for details.

Partners are required to submit "smart" discounts for Hot Buy consideration. "Smart" discounts are savings rounded to the nearest quarter, but ideally the nearest dollar.

Example - Save \$5.00 vs Save \$4.93

The submitted discount cannot bring the retail below Social Reference Pricing (SRP) or cost. This policy can be found on www.MBLLPartners.ca under the Liquor Partners & Agents tab.

The dollar savings amount is required to be filled out on the Marketing Program Guide Application Form. If a product changes retail price following the Hot Buy approval, it is at the discretion of the partner to reach out to Liquor Programming and Experience to amend their discount amount, while maintaining a "smart" discount offer.

These changes must be requested and approved by the deadline outlined in Appendix D, and are subject to Liquor Programming and Experience approval.

After the cut off date outlined in Appendix D for each period, no partner-driven discount changes will be permitted.

A final summary will be sent to partners from Product Management Coordination (PMC) for product and discount verification. Once the summary is released, only administrative error corrections will be permitted.

Once the review deadline in the PMC verification email has passed, the bulletins will be published on the MBLL partners website, and no further changes may occur.

It is the responsibility of the partner to read the draft bulletins and confirm that all Hot Buy details are correct and finalized.

Please note that all participating products approved for a Hot Buy will be subject to a 10 day pre-buy period for interested commercial customers.

SELECTION CRITERIA

- Partner % discount
- Smart discounts*
- Premiumization
- Seasonal/Category focus
- Good distribution in Liquor Marts
- Projected sales volume
- Overall balance of display
- Approved listing or on Pick List
- Active festival/event support & participation
- Annual partner marketing spend

* Partners are required to round their discount to the nearest quarter. Ideally discounts are rounded to the nearest dollar.

PRODUCT WITHDRAWAL FROM HOT BUY

Internationally sourced items (including USA) may be cancelled up until the date that a PO has been placed without penalty.

If a partner-driven cancellation is requested after the PO has been placed, it may be reviewed by MBLL to ensure that there is no risk of an overstock situation. If an overstock situation is possible, the partner may either run the program as planned, or find a domestic liquor jurisdiction to send the product to at the cost of the partner and/or agency, and the discount program will be cancelled.

Domestically sourced items may be cancelled 60 days prior to the LTO period beginning. After this date, inventory will be ordered to support the promotion, if it has not already been ordered. If a partner-driven cancellation is requested after the PO has been placed, it may be reviewed by MBLL to ensure there is no risk of an overstock situation. If an overstock situation is possible, the partner may either run the program as planned or may return inventory to the source point at the cost of the partner and/or agency and the discount program will be cancelled.

Privately Distributed items will still have until the 45-day cut off to add/remove items, as MBLL is not responsible for sourcing the inventory provided there is space available and the criteria on page 54 can be met.

All changes to the originally approved applications must be submitted in writing.

If a product is withdrawn due to delisting or inventory issues outside of the partner's control, the partner may come forward with an equal or better replacement product to fill the Hot Buy spot (subject to MBLL approval).

Hot Buy withdrawals or changes due to portfolio preference, whether MBLL or Privately Distributed, may receive a replacement opportunity provided inventory is not a concern, space is available, and are subject to MBLL approval.

LIQUOR MART EXECUTION

Hot Buy products will be featured in Liquor Marts in two ways: on display and at shelf.

Approved Hot Buy SKUs will be featured on a display in Tier 1-3 stores with Hot Buy signage, unless otherwise noted in the partner's results email.

There will be no Hot Buy display in Period 9, however all Hot Buy designated products will be identified at the shelf location with a shelf talker.

Tier 1-3 stores are required to list all products on the Hot Buy display. Tier 4 and Liquor Mart Express locations will merchandise Hot Buys at shelf only, providing they carry the product.

Partners will be notified if their application is approved for Hot Buy. If the application is not approved for the Hot Buy display, it will be considered for LTO approval if requested in advance.

MBLL will provide stores with shelf talkers indicating the Hot Buy designation, the regular price, the sale price, the savings and duration of the offer.

Private retailers stocking the product: Liquor Vendors, Specialty Wine Stores, Hotel Beer Vendors and Licensees must offer participating products at the Hot Buy sale price for the duration of the promotion.

MARKETING SUPPORT

Upon approval, partners are responsible for providing a high resolution, print ready bottle shot (minimum 300 dpi) for each approved SKU. The file must be uploaded to the OneDrive folder according to the deadlines and instructions outlined in Appendix C.

All approved Hot Buy SKUs will be featured on LiquorMarts.ca on the Hot Buy web page and in the Liquor Mart Sip n' Savour e-newsletter.

Hot Buy SKUs may also be featured on Liquor Mart digital and social media platforms and/or additional advertising mediums.

ORDER RESTRICTING

By submitting an application, partners are entering an agreement that if approved for the intended program, inventory will be ready and available to be ordered to support the program from the current source point. One-time ship point changes should not be used as a method of inventory security when applying for these programs.

Inventory must arrive 2 weeks prior to the program start date for distribution to all participating locations, including private channels where applicable.

If unsure what anticipated order levels will be or when the order would be placed, please reach out to your assigned Senior Buyer for the product(s) you're looking to submit before the deadline day, if possible.

If available supply cannot meet anticipated demand, or practices of inventory restriction to manage costs are suspected, MBLL reserves the right to cancel the Hot Buy approval.

LIMITED TIME OFFER

The Limited Time Offer (LTO) program allows partners to offer month-long discounts on products, in accordance with the MBLL’s Social Reference Pricing Policy.

APPLICATION

Partners may apply for inclusion in the program by completing the Marketing Program Guide Application Form.

All applications must be submitted by the deadline date to avoid late fees. Please refer to Appendix B and D.

Late LTO additions may be accepted after the application deadline at the discretion of MBLL. Late application approvals do not guarantee additional inventory will be ordered, and will be assessed on a case by case basis. Additional orders are subject to global timelines, current stock on-hand, and anticipated rate of sale during the promotional period.

As MBLL is not responsible for sourcing the inventory, Liquor Programming and Experience may consider LTO applications for Privately Distributed Licensee-Only (list type 27) products up to 45 days in advance of the LTO start date, provided that the bulletin has not been released and appropriate reason is provided.

PARTICIPATION & ELIGIBILITY

All listed products are eligible for the LTO program, except for products participating in the AIR MILES® program during the same period.

Back-to-back discount months on the same SKU are not permitted.

New SKUs will only be approved when confirmation of listing has been given by Category Management.

It is the responsibility of the partner to provide a copy of communication showing the SKU approval at the time of application.

LTO applications for two consumer-size packages of the same item (750 ml and 1140 ml) of **spirits and liqueurs** will not be considered for the same period.

LTO applications for wine will be limited to one package size per period.

PARTICIPATION & ELIGIBILITY

All listed products are eligible to participate in the program. Offer(s) must be month long to participate.

Back-to-back Bonus Bundles offers may be approved in some circumstances when there are limited applications for a period.

There are up to three opportunities per period on the Bonus Bundles fixture.

Partners can apply to add a Bonus Bundles offer to their partner driven display (Product Spotlight, Footprint, Impulse Bin, etc.) provided all Program Guidelines and Partner Requirements are met (see below for program details, and Appendix C for creative requirements).

NOTE: Beer and RTD are limited to a package size of 2130 ml or less (6x355C equivalent) for the Bonus Bundles fixture.

COST

Partners will be charged a rate of \$0.25 per AIR MILES® Reward Miles awarded.

SELECTION CRITERIA

Liquor Programming and Experience reserves the right to limit the number of Bonus Bundles AIR MILES® products for any period. This will be done based on the following criteria:

- Seasonal/category focus
- Category assortment, balance and variety
- Distribution/sales
- Strength of offer/customer achievability (cost to customer)

PROGRAM GUIDELINES AND PARTNER REQUIREMENTS

Partners can apply for the Bonus Bundles program with a minimum of 2 to a maximum of 3 SKUs.

All Bonus Bundles offers must have a Buy 1 offer that meets AIR MILES® Reward Miles minimums (see AIR MILES® Bonus Miles Program for details). All offers must follow a Buy 1, Buy 2, Buy 3 format.

Buy 2 and Buy 3 offers must add incremental value to the consumer.

Example:

- Buy 1, Get 5
- Buy 2, Get 12
- Buy 3, Get 20

If applying as part of a partner driven display, all SKUs on the display must take part in the Bonus Bundle offer. Minimum of 2 SKUs to a maximum of 3 SKUs. Offer must follow a Buy 1, Buy 2, Buy 3 format.

Additional consideration will be given to partners whose SKUs are all line priced and/or part of the same Shelf Group (Argentinian wines, Vodka, etc.)

NOTE: In order to earn the Buy 2 or Buy 3 offer, customers must purchase all units in a single transaction.

MBLL will not enforce SKU purchase combinations. Customers will be permitted to mix and match, but ideal combinations can be communicated on creative if participating in a Product Spotlight display.

Upon approval, partners are responsible for providing a high resolution, print ready bottle shot (minimum 300 dpi) for each approved SKU. The file must be uploaded to the OneDrive folder according to the deadlines and instructions outlined in Appendix C.

LIQUOR MART EXECUTION

Tier 1 & 2 stores will be required to list all SKUs featured on the Bonus Bundles display.

Tier 3 & 4 stores and LMX locations will merchandise Bonus Bundles at shelf only, provided they carry the product.

If a partner is approved for a Bonus Bundles offer on their partner driven display, store listing requirement will be determined by the level of that display.

All offers, both from the Bonus Bundles display and any partner driven display offers, will be featured on custom Shelf Talkers in all stores, as well as online at liquormarts.ca.

MARKETING SUPPORT

Select SKUs may be featured on Liquor Mart social media platforms and/or additional advertising mediums such as flyers, liquormarts.ca webpage, or direct email to collectors in Manitoba. These items are selected at the discretion of MBLL.

MAX MILES® MOMENTS

The Max Miles® Moments program is a short-term AIR MILES® promotion that provides partners the opportunity to promote seasonally appropriate products with Bonus AIR MILES® offers. These opportunities will be focused around holidays and recognized occasions. All participants will receive a detailed summary of SKU performance from the AIR MILES® Analytics team.

APPLICATION

Partners may apply for inclusion in the program by completing the Marketing Program Guide Application Form.

All applications must be submitted by the deadline date. Please refer to Appendix B.

Late applications will not be accepted.

PARTICIPATION & ELIGIBILITY

Products participating in AIR MILES® Bonus Miles programs during the same period are not eligible for Max Miles. Items can participate in both the LTO and Max Miles events when the Max Miles event runs across two LTO periods. All costs associated with running an LTO and Max Miles offer at the same time will be borne by the partner.

COST

Partners will be charged a reduced rate of \$0.20 per AIR MILES® Reward Mile awarded.

SELECTION CRITERIA

- Seasonal / category focus
- Good distribution in Liquor Marts
- Sufficient inventory levels exist to support the program
- Best value to consumer
- Overall partner participation in the AIR MILES® Program
- Sales volume
- Balance within promotional offerings (not all beer, etc.)

PROGRAM GUIDELINES & PARTNER REQUIREMENTS

Applications will only be accepted for offers that reflect a cost of \$1.50/mile or less for the customer. Please use the following calculation to determine the minimum offer:

$$\text{Product price} \div \$1.50 = \text{minimum offer}$$

Partners are strongly encouraged to round offers to the nearest 5/0 value to have an attractive and competitive offer for customers.

Offers below 5 AIR MILES® Bonus Miles™ will not be considered.

Upon approval, partners are responsible for providing a high resolution, print ready bottle shot (minimum 300 dpi) for each approved SKU. The file must be uploaded to the OneDrive folder according to the deadlines and instructions outlined in Appendix C.

LIQUOR MART EXECUTION

Tier 1-3 stores are required to list and display all participating products. Tier 4 stores and Liquor Mart Express locations will merchandise Max Miles at shelf only, provided they carry the product.

IN-STORE SAMPLING

The In-Store Sampling Program provides partners the opportunity to sample their products in Liquor Mart stores.

APPLICATION

Partners may apply for In-Store Sampling by completing the In-Store Sampling Application form and submitting directly to Liquor Mart management teams. All applications must be submitted at least 5 weeks in advance prior to the requested month.

Application is available on MBLPartners.ca.

Each store management team will create their sampling schedule during the first week of the month prior to the requested month. After the deadline, any remaining sampling slots will be meted out on a first-come, first-serve basis and are not guaranteed. Samplings will be confirmed by the store upon completion of the schedule.

If the same products are being sampled across multiple locations in a short timeframe, ensure there is adequate inventory available to support each sampling.

ELIGIBILITY

All products are eligible to be sampled, however they must be store-listed in the Liquor Mart where you are applying.

A minimum of 2 products are required, with a maximum of 4 products per opportunity.

Any wines sampled during the **peak periods* of 4-8 on Fridays or 3-7 on Saturdays** must meet or exceed the store's respective \$/750 ml goal.

If the pack size exceeds 750 ml (in the case of 1.5 L or boxed wine for instance), you must convert to the equivalent \$ per 750 ml.

Applications for products that are below a store's \$/750 ml may still be accepted and scheduled during non-peak periods.

*Please note, peak periods may vary slightly from store to store as well as between urban and rural locations.

SELECTION CRITERIA

The selection criteria for in-store samplings are as follows:

- Premium/higher profit product
- Projected sales volume
- New product
(Set up must be finalized and product needs to be available to order from the Distribution Centre.)
- Unique product
- Overall balance of product being sampled.
(For example, if there are three samplings; one each of spirits, wine and RTD/beer.)
- Seasonality
- Participation in other marketing programs

EXECUTION

Products used for the sampling are purchased from the Liquor Mart. Outside products are not permitted to be brought in for in-store sampling.

Samplings must be conducted by a Marketing Representative or their designate.

A maximum of four products are allowed at each sampling station.

Taste samples will be provided without charge to the customer and in quantities not greater than contained in the following guidelines:

Wine	2 ounces	60 ml
Beer & RTD	4 ounces	120 ml
Spirits & Liqueurs	1/2 ounce	15 ml

The use of merchandising and customer information materials are permissible. At the end of the sampling, the sampler will remove all display materials (table, mobiles, cases, bins, refuse, etc.).

Partners will provide recyclable sampling glasses, mix, ice, etc. and, if sampling wine, bread and/or crackers.

It is permissible for a partner to hire off-duty Manitoba Liquor & Lotteries employees to facilitate samplings on their behalf, subject to the operational requirements of the store or department. Approval must be received from the employee's manager. Partners will remunerate the employee directly at an agreed upon rate of pay. Pursuant to the MBL's Code of Conduct, product may not be used as payment.

The sampler must not leave supplies of opened product unattended at any time.

Please consult Appendix F for complete details on Marketing Representative and Sampler guidelines and responsibilities.

NO SHOWS & CANCELLATIONS

It is important to follow up on and double check all approved sampling locations, dates and times prior to execution.

No shows and cancellations, as well as late arrivals over 30 minutes will be monitored by each Liquor Mart and reported directly to Liquor Programming and Experience.

Repeat occurrences may result in a temporary suspension of sampling applications until proof of good standing can be demonstrated.

COST AND PAYMENT

All Marketing Representatives/Agents are registered through MBLL’s Accounting Department and receive a Commercial Customer Identification Card (CCIC). It is highly encouraged to set up an Electronic Funds Transfer (EFT) account to facilitate sampling payments at the store level. Please contact accounting@mbll.ca for inquiries.

MBLL will cost share the product to be sampled to the registered Marketing Representative at the following discount rates:

Spirits	50%
Wine	50%
Ready-to-Drink	50%
Beer	30%

The desired payment method for each sampling must be checked off on the application form which will guide staff on how to charge for the product used.

Payment will be made at the end of each sampling with one of the following options listed below:

- Head Office Account Charge (Electronic Funds Transfer - EFT)
- Payment immediately following the sampling via credit card, debit or cash.

If credit, debit or cash is not presented at the end of the sampling but was chosen as the payment method in the application, the account will be automatically charged using the EFT account so no open/outstanding balance to the store remains.

Marketing Representatives should keep a credit balance on their account for the stores to draw from and ensure this balance is maintained by one of the two following options:

- Making a payment on account at any Liquor Mart location. Payment can be made via credit card, debit or cash.
- Sending a cheque to the corporate head office for deposit. Deposits are made once a week.

Payment on accounts take two business days to process before Liquor Marts have access to the funds in the Marketing Representative’s account.

Upon payment, all open, unconsumed products are the property of the Liquor Mart. It is the store management’s responsibility to:

- Use for staff
- Use for public sampling by Product Consultants
- Dispose of immediately

Under no circumstance may the agent, marketing representative, sampler or any Liquor Mart employee remove any product from the store.

WINESTATION® AND SPIRITSTATION® SAMPLING

WineStation® and SpiritStation® units are available in select Liquor Marts and offer customers a “try before you buy” experience while providing 60 day product preservation.

APPLICATION

Partners may apply by completing the WineStation® and SpiritStation® Sampling Application form and submitting directly to Liquor Mart Product Consultant teams. All applications must be submitted at least 5 weeks in advance prior to the requested month.

Application is available on MBLLPartners.ca

Each Liquor Mart will approve SKUs during the first week of the month prior to the requested month. After the deadline, any remaining spots will be meted out on a first-come, first-serve basis and are not guaranteed. Successful applicants will be confirmed by the store.

If the same products are being applied for across multiple locations, ensure there is adequate inventory available to support.

ELIGIBILITY

Red, white, and rosé wines (Ultra Premium or better) are eligible to be sampled.

Deluxe or better spirits are eligible in the locations with a SpiritStation®.

Price minimum is based off regular shelf price, not LTO/Hot Buy pricing.

COST

MBLL will cost share the product to be sampled to the Marketing Representative at 50% off the basic retail price.

LIQUOR MART EXECUTION

Samplings will be conducted by Liquor Mart staff.

Taste samples of wine will be provided without charge to the customer and in quantities not greater than 2 ounces (60 ml) for wine and 1/2 ounce (15 ml) for spirits.

The use of customer information material is encouraged.

A small display will accompany each product.
